Up on the Blue Ridge Mountains... **REVIVAL**

## HAPPY EARTH DAY !

Spring 2009 feels like more than just the turning of a season; it has the feel of a quickening of the collective global human experience, a stretching, reaching evolution from one state of being to another. There is the sudden, true sense of urgency, coupled with a refreshing inspiration to make the most of what we've been given – in some cases, manure into compost– and use this to nurture the roots of our planet and our very beings.

At FloydFest 8 this all translates into one word – **REVIVAL**

**WIN A PAIR OF VIP TICKETS THROUGH JAMBASE!!**

**The winning VIP package includes:**

- A PAIR of VIP tickets to FloydFest 8: Revival
- 4-day Backstage pass for TWO with meals and catering
- Backstage micro brewed beverages
- On-stage seating when available

At FloydFest, our natural hue is

Here's what we're planning for this year to make FloydFest an Earth-Day-Every-Day event:

Our Partners-in-Green, **Streamline Timberworks**, are as we speak constructing a one-of-a-kind timber framed Front of House structure, with sustainably harvested timbers– we love you, Streamline!

Our composting and recycling efforts are getting

- On-site VIP parking for one vehicle
- Premium backstage camping
- Hot showers exclusively for VIPs
- 1/2 hour massage coupon
- A commemorative package including Live from FloydFest 7 Collectible CD, FloydFest 7 commemorative poster, FloydFest sticker, Limited edition FloydFest merchandise, Collectible VIP ticket
- Invitation to staff and artist-only post-fest celebration

**ratched** up, thanks to the advent of local composting company **PME**, and an all-hands-on-deck effort from FloydFest Super-volunteers!

The Global Village will be haven of anarchy and insurrection! Join Christian Breeden in wild bicycle-making with a return from **American Dumpster** (what did Ivan Neville remind us? oh yeh, put it in the Dumpster!), Brazilian drumming with **Forro in the Dark**, glass blowing, beekeeping, Hooping with Spiral, Yoga, Folefare West African Dance Classes, more fire dancers than you can shake a stick at, artist panel discussions, late night revival with **The Lee Boys!**, and Naturalist cult figure and **The Last American Man** (well, we hope not!) Eustace Conway!

"Emerson said: 'What you do stands above you and shouts so loudly I can't hear what you're saying' and I can only hope that my life is an example that people can hear" ~ Eustace Conway

#### **About the book:**

"Wickedly well-written... There are two parts to *The Last American Man*: Conway's personal story, which is fascinating enough, and the way it entwines with the American preoccupation with robust, can-do masculinity." – James Gorman, The New York Times Book Review (Editors' Choice)

And NOW, the moment you've all been waiting for- the SCHEDULE is complete!... well mostly – start planning your 'can't miss' FloydFest performers and activities now!

And in keeping with our give-to-receive mentality, and as our EARTH DAY gift to you, **buy two weekend tickets to FloydFest before May 1st** and receive a pair of day passes to the new, the one-and-only, the
